Dear colleagues,

Greetings from Alumni Association of Sancheti Institute, Pune.

Every year the AASI Fracture Fixation Course is gaining tremendous popularity amongst students and orthopaedic surgeons alike, going by the response received. Keeping up the same commitment, it gives us immense pleasure to announce the **6th AASI Fracture Fixation Course** in association with Sushrut Surgicals on 3rd, 4th & 5th July 2009.

Like every year, the course will consist of both Basic and Advance modules with lectures by eminent International and National faculty and Hands-on workshops on saw bone models and latest instrumentation. Topics covered will be as follows :

BASIC COURSE : TBW, Compression plating DHS, DCS, Distal Humeral fractures, Interlocking Nails, Recon Nails, External Fixators, Lower end Radius fractures and UMEX Fixators.

ADVANCE COURSE : Pelviacetabular fixations, fixations of Traumatic Spine both Cervical and Lumbar and Paediatric fracture fixation.

Last date for Registration is **15th June, 2009**. As the number of seats for Hands-on workshop is limited, please hurry your registration to avoid disappointment. There will be no spot registrations.

Thanking You.
